please check in, we will keep the board open. We will have...gain a quorum. I would anticipate that that would only take about fifteen minutes of our time, but as soon as they are done with that, then we will begin this afternoon's proceedings but we will come back and begin at one-thirty this afternoon. Senator Chambers, we are unable to locate Senator Foley. Is it okay to go ahead? Thank you. The question is the reconsideration of the Chambers amendment to the committee amendments. All those in favor vote aye; all those opposed vote nay. There has been a request for a record vote. Have you all voted who care to? Record.
